### FAQ

1. What size frame to I need for a 6"x9" photograph
  - a. This looks best in a 8"x10" frame with a 6"x8" matte board (border) around the photograph. You can also have 6"x8" frame which is a standard size in most shops and you will lose only ½" on each edge.
  - b. Ask us about our new framing options. Brochure coming soon.
  
2. What is a metallic print?
  - a. Finish on High Quality Kodak Professional Endura Metallic paper offers a unique pearlescent surface that will make your images pop!
  
3. Are the Canvas Prints ready to hang?
  - a. YES Printing of your image on superior quality American-made, archival canvas. Ink that has been independently tested to provide 75 years protection against fading. Spray lamination of your print to provide protection against dust, moisture, mould and abrasion. Finishing with acid-free framers tape and screw-in eyes (not string that is merely stapled to the frame). Framing on quality, profiled meranti stretcher bars (not cheap pine stretcher bars that are prone to shrinkage, twisting and warping).
  
4. What are Art Prints? **\*\*\*NEW\*\*\***
  - a. Our Art Prints are printed on 100% Cotton museum grade white Fine Art photo paper. The exceptional smooth white tone is achieved during manufacturing by introducing natural minerals to the process. Shipping is approx three week from order. Exceptional for portraits and sharp images for framing.
  
5. What is an Acrylic Mount?
  - a. We offer you a stylish, unique way of showcasing your images. We print your image on professional glossy photographic paper, then mount it on acrylic using archival quality adhesive. The display is then topped off with metal corner mounts for a stunning finish. It is the perfect modern look for everything from a professional gallery display to your family home.
